Autumn wreath with dried flowers

Instructions No. 2330

Difficulty: Beginner

Working time: 1 hour

Make this impressive and natural wreath with dried flowers and a lantern in just one hour. The wreath makes a wonderful autumn decoration for the table.

It's that simple:

1. Shorten the dried flowers and the eucalyptus with scissors and insert them into the wreath.

2. Attach double-sided tape to the top of the lantern jar and attach the fringe to it.

3. Place the candle in the lantern jar and arrange the wreath together with the lantern jar on the table.
