

3D Bogen-Set "Weihnachtsschachteln"

Instructions No. 1047

These small **gift baskets** are suitable for those who like it quick and easy. The shafts are already finished and only still have to be glued together. With some included motifs and a 3D adhesive pad you will achieve a beautiful Christmas package in no time

Whether as decoration with fir branches and figures or as packaging for all kinds of small gifts, this set will inspire you.

And it's that easy:

Remove the boxes from the sheet and fold them along the given lines. Glue the boxes together, use the tape-Ribbon and straighten them up. You can decorate the Christmas baskets with the motifs by sticking them on with 3D Glue pads .

To obtain a closed gift box, you can stick tape-Ribbon into the top edge and fix a layer Crêpepaper on top.

Cut to the desired height and simply shoot with Gift ribbon and fill as desired.
