Instructions for small animal pendants made of felt

Instructions No. 970

Difficulty: Beginner

With these cute animal charms from Felt , only won't decorate your key. Look for yourself, these small unique pieces are easy to make and also give a lot of pleasure in other decorations. For example, you can design the animals as a wind chime by hanging the pendants on a piece of wood with threads of different lengths. Be creative! This set offers you all the possibilities.

And it is as simple as that:

Put the outlines of the animals and the small elements on Felt sheets using the template. You need all cutouts twice for one animal. Prepare small hanging loops from e.g. Satin ribbon Glue this between the two outlines and decorate the animals with the Wobbly eyes, and moustaches on the front and back.
