advent calendar with napkin technique

Instructions No. 412

For the pre-Christmas season, a homemade The Advent Calendar. large shop is decorated with paint and decorative Napkin technique figures and has room for many small treats in its 24 drawers.

Instruction

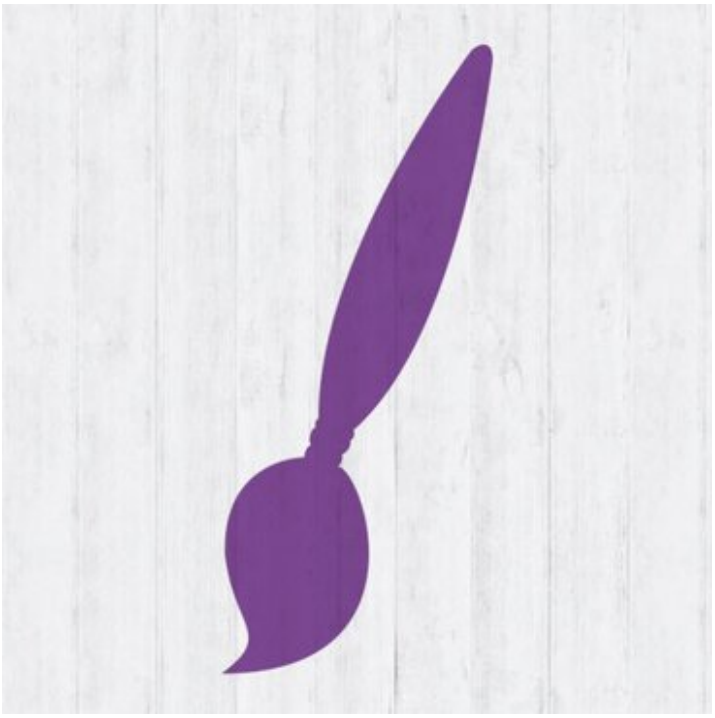

manual

First unscrew the shutters, then prime the entire shop except the roof in white.
Stick a motif strip from the Napkin "Noël" on the roof and paint it in colour when it has dried Napkin varnish .
Cut out different strips from the Napkins blanks, remove the two layers of white paper and glue Napkin varnish the printed layer on top
Tip: Spray the back of the napkin strips first with spray adhesive "Non-Permanent 404" and place it in the desired position. This Paper can be removed again until the exact Position right. This technique is also very helpful when fitting into difficult niches.
After drying, apply a thin layer of decorative snow in the lower compartment and glue the snowmen, packs and glitter balls inside.
Fix the packs in the upper compartment with hot glue, as well as the numbers on the drawers.
Finally, screw the shutters back on.

This idea is timelessly beautiful!
