

Anleitung: Fruchtiger Teelichthalter

Instructions No. 140

The fruity **Tealight holders** is a beautiful autumnal table decoration. For the design tree bark was used. This creates a particularly cosy look.

And this is how it is done:

Lay the bark of the tree completely on top of it and Tealight holders fix it with hot glue. Then spread the decoration generously over the tree-Willow bark. Afterwards arrange the decoration apples together with grapes on the bark and Tealight holders. fix it with hot glue

Tie a Organza ribbon loop out of green and attach it to the Tealight holders. string. It makes the arrangement look complete.
