Instructions No. 1230

At the moment you cannot get past the **trend product cork** . Whether **cork paper, Cork fabric** or **cork leather**: the versatile cork material is a real eye-catcher due to its natural look

Natural designs are absolutely in and in demand. Besides sewn bags **or** clothes you can also **mak Cork fabrice** decorative objects from . Here Cork fabric can be combined with other materials, such as Felt and fresh designs with cork and fresh colors are created

In this tutorial we show you how to **make** a **cute basket from Cork fabric**. For this you will need, besides the Cork fabric and Felt , scissors, sewing machine, masking pen, iron, ruler and the motif template, which you can download and print out on this page

Here's how it works

Print out the motif template and cut out the Paper-Stencil Transfer the Stencil to the Felt and the Cork fabric and cut it to size

You will need heat and adhesive fleece to bond the materials. Use a standard iron and layer Felt, adhesive fleece and cork so that you can join them evenly. In our example basket we have additionally fixed Lace ribbon between Felt and cork.

In order to create a basket, incisions are made at the edge of the basket with scissors. The sewing machine is used to sew along the edge of the cork and felt with contrasting coloured thread

Fold up two edges of the basket and evenly overlap the incisions Lace one above the other. Fix the whole thing with cork glue. Fix the other two edges in the same way. Finally, the baskets can be decorated as desired. For example, small wooden buttons, butterflies, crocheted flowers and much more are suitable.

Tip: Make the basket in three different sizes and stack it decoratively inside each other.
