

Anleitung: Tisch-Kommode mit Decopatch

Instructions No. 1068

Difficulty: Advanced

Working time: 1 hour

are they don't really belong and
in the form of a chest of drawers

priming, Chenille wire, labels and

is a good choice. Once the paint
and Decopatch varnish to apply

s shortened accordingly and
the inside of the drawer
the drawers and are then fixed with
for this, pull the Ink Pads along the
ound and the patch paper is glued
to you - let yourself be inspired!
