Aufbewahrungs-Set mit Motiven aus dem Schneideratelier

Instructions No. 951

The beautiful Straw silk paper with motifs from the tailor's studio transforms these wooden chests into little helpers of order. Stow away for example your sewing utensils like buttons, Needles and yarns or even jewellery in the pretty little boxes, so you will always find everything again.

And it is as simple as that:

Remove all metal fittings and prime the chests in white.

Cut out the motives from Straw silk paper , place them on the wooden chests and fix them with the Napkin glue.

Stroke the Ink Pads over the edges and surfaces to imitate a "shabby look".

After drying, seal the chests with the Clear varnish. Finally, attach the metal fittings and tie a bow from the Satin ribbon , which you fix with hot glue on the front.
