

Autumn children

Instructions No. 2839

Difficulty: Beginner 🍃🍃🍃🍃

Working time: 1 hour

Autumn is a beautiful time of year when the leaves slowly change colour and great decorations can be made in the colours orange, green and brown. With our **autumn children** made of wood in combination with our VBS craft paint set, an atmospheric decoration moves into your four walls.

This is how you create the autumn scene:

Paint the **autumn children** with **VBS craft colours**. We chose the VBS "Colorful Autumn" craft paint set because it has the perfect combination of colours for beautiful autumn decorations. **Tip:** The dots can be printed on with the end of a paintbrush.

Glue two **tree slices** diagonally on top of each other. The autumn children can now be arranged with a **straw barrow**, **straw bales**, **moss**, **scatter pieces** and **garden tools** and glued to the tree discs with hot glue.
