Card motif template for your Silhouette Cameo

Instructions No. 1864

Difficulty: Beginner

Working time: 1 hour

What would **Christmas** be **without** pretty cards? With our great **motif template**, specially designed for the Silhouette Cameo, you can create a personal filigree card that is an eye-catcher.

The filigree house front of the map was created using the plotter machine. Download the DXF file and open the templates with the Silhouette Studio program. The file is saved in a file format compatible with the Silhouette Cameo 3 and can be loaded into the machine immediately and easily

Now place your desired Kraft paper onto the mat and start the plotting process. After plotting, carefully remove the designs from the mat using a picker

Then stick the motifs onto the card. Tip: For more depth you can glueGlue pads some of the motifs with 3D-. You can write on the front motif as you like.
