Cards "Schoolchild at last/ Endlich Schulkind"

Instructions No. 1968

Difficulty: Beginner

Working time: 30 Minutes

The **first day at school** is a special event for you and your **school child.** This day is awaited with excitement. It is especially nice if you **send** beautiful invitation cards or place cards on the coffee table **as table decoration**. Our idea looks magical and if you like, you can use the small **Chain** keep as a souvenir or convert into a piece of jewellery

This is how you design the cards:

Cut the **scrapbook paper set** "Little Star" to size. Here it is entirely up to you whether you Paper make the whole **card from** this or stick parts of the card with this pattern. Label the card with a Marker. With **3-Glue pads D**, the blanks from the scrapbook-Paper are glued onto the card.

For the **Bracelet** draw beads and the **Letter beads** on the **Magic Stretch rubber cord**. Now tie this around the card. The nice thing about this bead necklace is that you can make it after school as a pendant on schoolbags or pencil cases or as a pendant for your school Bracelet child. To do this, you put it around Chain your child's wrist, remove

the beads that make it too Bracelet long and then knot the ends of the beads together Cord.. It is also possible to put this as Cord a souvenir in your photo album together with the photos of your child starting school.
