Carnival pirate

Instructions No. 291

Difficulty: Beginner

A cool hat and a nice T-shirt will make your child a great pirate. Just make the hat Felt yourself and a black t-shirt with Stencil it. Already you have a perfect costume for carnival.

There you go:

Hat

Cut the fabric-Felt in half lengthwise. Cut both halves in about the middle of the length and leave out a curve. Copy the pattern to the desired size, transfer it to the white one with the Strich-Ex pen, Felt cut it out and glue it with hot glue in the middle of a hat part. Glue the two hat parts together laterally until the desired size is reached. Shorten the ends according to taste.

T-shirt

Wash the finish off the T-shirt. Iron after drying and transfer the motif in the desired size. Fill with textile paint in several layers. Iron the motif on the reverse side to fix it in place.
