

Chocolate dream in a glass

Instructions No. 1648

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 30 Minutes

The way to a man's heart is through his stomach. Why not make a chocolate dessert and fill it into a resealable storage jar. With only little decoration you have created a very personal souvenir.

Our chocolate dream recipe is even vegan!

You need the following **ingredients**

- 1 Avocado
- 200 ml soy cream
- 1 tsp vanilla sugar
- 2 tablespoons of sugar
- 2 tablespoons cocoa powder
- 1 teaspoon rasped Chocolate

Separate the Avocado from the bowl, puree it and fold the soy whip into the mixture. Fold in vanilla sugar, sugar, cocoa powder and grated Chocolate - done!

Non-vegans can alternatively use Mascarpone Creame instead of soy cream for this recipe and add 1 teaspoon Espresso Add the powder.

Decorate & give away!

Fill the chocolate dream into a glass with a large opening and then decorate it as you like. You will find a large Selection of decoration material in our assortment, the most important accessories we have put together for you as usual in our material list.

Extra tip: If you heat up the chocolate dream mass and fill it hot into the glass (this must be absolutely clean!), the steam creates a vacuum. The grated Chocolate will melt, but the dessert will keep for a longer time.
