Colourful felt flowers

Instructions No. 1715

Difficulty: Beginner

Working time: 1 hour

These **colourful felt flowers** are perfect for your spring decorations**.** Whether in front of the window or hung on branches, the flowers will definitely cut a fine figure. The practical thing is that the flowers do not wilt and can be used again next year.

For a felt flower, proceed as follows

First print out the free **motif template** and cut out the individual motifs. Transfer the flowers and leaves to the felt. For one flower you need 3 flowers and also 3 leaves. Tip: For the transfer of the motif template a **Line Ex pen**because with this the drawn lines disappear again after a few hours

Now place 2 petals on top of each other and sew one side together. Now unfold the petals again and place the third petal on a single leaf. Sew this together again. Finally, unfold everything again and place the leaves with the open

edges on top of each other. Now sew them together on the last page

Cut a piece from **Satin ribbon** and tie a knot at the end and thread beads. After about 10 cm, make another knot and pull the rest Ribbon through the flowers and make a loop. Stick the green leaves **to the** flowers with the hot glue gun.
