Instructions No. 1969

Difficulty: Beginner 

Working time: 10 Minutes

What could be more personal than a gift that is presented with a self-designed packaging and decorations?
Let us inspire you.

Modelling

The pennants and stars of this packaging are modelled. Pearl letters can be pressed into the modelled mass as an additional "icing on the cake". Then simply cut out the shapes. Let them Modelling clay dry according to the product instructions

Decorated Paper

For the small miniature rosettes are Paper strips first folded in accordion form and then glued together at the ends. The birthday messages are simply stamped on colourful Paper ones and cut out into small tags. The packaging paper can also be cheerfully stamped.

Wrapping

After the gift is wrapped, the small homemade decorative accessories are stuck on with double-sided Adhesive tape stickers according to your personal taste.
