

Comfortable cushion in matryoshka look

Instructions No. 261

Bright patterns and above all the colourful matryoshkas characterise the colourful Russian folklore, which is finding more and more friends all over the world. The striking features can also be wonderfully used in modern home decoration and in everyday life.

In order to make the strong colours shine especially brightly, they are often given a black background

On the large, inviting pillow the colourful patterned fabric is combined with strong Red . The cushion plate is assembled from six individual parts with only a few seams and is thickly stuffed with filling cotton wool. The decorative buttons and tassels give the cushion a very special look.
