Decorations with scrapbooking

Instructions No. 2219

Difficulty: Advanced

Working time: 4 Hours

A beautiful **trendy decoration for your walls**. These decorative rings are created with **beautiful papers** and great paper motifs and look magical. They can be made entirely according to your colour wishes.

This is how you design the beautiful metal rings:

To prepare the background:

Place the decorative ring on the selected cardboard and tracing paper and draw the outlines. Then cut the circles to size. Glue the rings to the backgrounds using craft glue. Moisten the poster hangers with a little water and glue them to the back.

Decorate the decorative rings:

Cut motifs of your choice using tweezers scissors. Stick them onto the backgrounds with 3D adhesive pads for a beautiful 3D effect. You can also add lettering as desired using the hand lettering technique.
