Decorative butterfly tree

Instructions No. 3022

Difficulty: Beginner

Working time: 3 Hours

This playful little decorative tree with pretty butterflies and cute birdhouses is sure to find a special place in your home. It's easy to make with the right materials.

First design the tree craft blank

In the first step, paint the polystyrene ball with pastel olive green handicraft paint and also color the two small birdhouses as desired.

Glue the leaf garland around the ball with hot glue so that it is well covered.

Fill the zinc pot with flower arrangement foam.

Use a birch branch as a tree trunk and insert it into the polystyrene ball. first. Fix the other end of the branch vertically in the flower arrangement foam.

Enjoy arranging and decorating

Glue the two birdhouses to the tree. Gradually attach small and large butterflies to the ball and the birdhouses and wrap everything with another garland of leaves.

Place moss on the flower arrangement foam, so that it is no longer visible. Feel free to use some glue to fix it here too. Finally, add a tied bow to the decoration.

Tip: We have placed the butterfly tree in the photo on a colorfully painted wooden tray for a special look VBS Wooden tray for a special look. If you are still looking for that "certain something" when arranging, simply scatter some leftover butterflies next to the pot.
