

DIY travel case

Instructions No. 1972

Difficulty: Beginner

Working time: 3 Hours

So that you have all your **travel documents** at hand or can organise your **souvenirs of the** last trip in style, we explain in our instructions how to **make** this beautiful travel case. In the inside compartment you can keep your documents and can, for example, take out your passport, flight documents and everything else you need right away at the flight control and you don't have to spend a lot of time gathering the necessary documents.
