Dreamcatcher with a difference - create a stylish wall decoration **with** symmetrical shapes such as squares and circles in the hottest trend colours. Modern and timeless!

That's how it's done:

Colour the larger of the two square metal rings **(15cm) with** a **Colour spray** e.g. from edding in your chosen colour. We have opted for the colour pink gold.

Cut 7 pieces of 60 cm cotton cord from each**.** In our example we used mustard coloured cotton cord. Take the pieces twice and knot them to the smallest frame (10 cm). Turn the square so that it stands on the tip and tie a central Ribbon one, then 3 to the right and 3 to the left. Twist the loose ends of the ribbons so that each thread dissolves into 3 twisted "curls"

Cut 25 pieces of 30 cm each from the natural coloured cotton cord, take them twice and knot them to the sprayed middle frame. Starting again from the top, one knot in the middle, then 12 on each side. Here the threads are then combed with a brush or a fine comb to create a fine structure.

The large round ring was wrapped with lilac cotton cord and **fixed** with hot glue. Leave one end of the thread hanging at the end. This serves later as a suspension.

Fasten the rings and squares together with the nylon thread

If necessary, cut the hanging tapes into shape with scissors.
