Instructions No. 2753

Difficulty: Beginner

Working time: 1 hour 30 Minutes

With little material and effort this great decoration is made. The colourful Easter bunnies made of linen cardboard are a great addition to your decoration at Easter time and bring a breath of fresh air into your own four walls.

Make Easter bunnies

First print out the free template and transfer the bunnies onto different coloured linen cardboard. Cut everything out.

Stick on the heart stickers as in our example.

Draw the lines with a fineliner. The lines can either be delicately drawn in advance with a pencil or transferred to the bunnies using graphite paper.

Shorten the round sticks as desired and place them in the wooden discs. Use craft glue to fix the Easter bunnies to

the round sticks.

To finish, place a wooden ball on top of each of the round sticks.

The finished Easter decoration can be completed as desired with further details, such as a punched-out Easter greeting.
