Easter pyramid boxes

Instructions No. 1926

Difficulty: Beginner

Working time: 1 hour

Giving away is fun! If the little thing is also packed in self-designed **boxes**, the presentee is all the more pleased. Also as a place card **filled** with **sweets,** the pyramids look really nice.

This is how the box is designed:

Cut out three triangles with an edge length of 10 cm per **box** from colorful photo cardboard and the pastel-pink Coloured paper one and glue them with double-sided adhesive to Adhesive tape the surfaces of the pyramid box.

With the "**BunnyCraft Punch**" you **punch** out bunnies from different papers and kraft cardboard and place them with 3D on the-Glue pads colored triangles.

Now fold the pyramid, fill the inside with small items and close the box with coloured satin ribbons.

Tags can also be produced from kraft and coloured Paper material, which can also be attached to **theGlue pads** finished boxes using 3D technology.
