Fairy Mushrooms

Instructions No. 1612

Difficulty: Beginner

Working time: 30 Minutes

These fantasy mushrooms bring colour to every garden. The colorful design of the „Terracotta-"Hats" is also great fun for children!

It's that simple:

Paint different sizes Terracotta Coaster in cheerful colours. Use special outdoor color or simple Handicraft paint. Choose a base color for each "mushroom hat" and in a second step paint the dry color area with cheeky dots in a contrasting color. If you have not used an outdoor colour, seal Handicraft paint additionally with a Protective varnish.

In each Coaster a decorative branch is stuck as a **stem** . Since the Terracotta-mushrooms are intended as outdoor decoration, we recommend using **VBS Effekt Glue as** glue. Once dried, this glue is very strong.

Afterwards only still decorate the garden - done!
