

Festlicher Weihnachts-Teelichthalter

Instructions No. 1384

Difficulty: Beginner 

Working time: 20 Minutes

With only little effort you can design this noble, natural looking Tealight holders yourself. The Tealight holders-pair is a special eye-catcher for the Advent and Christmas season.

And this is how it is done

The Tealight holders "star" is decorated with cork accessories, Leaf metal and Handicraft paint .

First you prime the inside of the "star" with white Handicraft paint. In the next step you apply Leaf metal. to the edges of the star. For this purpose the edges are painted with a clean line Gold leaf priming milk . In the still wet Gold leaf priming milk is applied with a Bristle brushes Leaf metal . Excess Leaf metal can be wiped off with Bristle brushes

Around the right upper part of the tealight holder the cork band is now wrapped and fixed with Handicraft glue . Next you tie a Jute ribbon on the cork ribbon to a loop and glue a cork star on it

Then you can decorate the Tealight holders according to your taste with further self-adhesive cork stars or other decorative elements of your choice.
