Fluffy figures

Instructions No. 2089

Difficulty: Beginner

Working time: 45 Minutes

These fluffy companions are a great and simple craft idea for the Christmas season, also for children. They can later be hung on the Christmas tree, in the window or on a shrub.

This is how the figures are made:

Reindeer: Draw a **Wooden ball** with a 30 mm diameter on the hanging thread of a brown **plush ball.** Fix a **reindeer head** with **hot glue to** the ball and Wooden ball cut it off Ribbon the spreader

Knot a **clamp** at each end of the cut ribbon. These Jingles can be coloured in advance with Permanent Spray as desired. Glue the legs **to** the plush ball with **hot glue**

Angel: Paint a **Wooden ball** with a 30 mm diameter with **Handicraft paint** in antique rosé. Once it has dried, pull it onto the hanging band of a pink **plush ball.** Paint with a **Marker** on a 40 mm ball eyes and a nose, with **Handicraft paint** the cheeks are painted on

Also pull the painted ball onto the plush ball. Remove single from **berries** and glue them to the angel's head as a wreath. Glue the **angel wings** to the pink one **from** behind and Wooden ball remove the hanging thread of the wings.
