Instructions for a beanie scarf

Instructions No. 1279

Difficulty: Advanced

This practical cap scarf does not keep only nice and warm on cold days, it also looks stylish. A great knitting project for knitting fans and those who want to be.

And it's as simple as that: With the Schachenmayr knitting instructions you can easily knit a warming cap scarf. The instruction describes you stitch by stitch how to make the scarf. The instruction also includes a design pattern with size information. For the cap scarf you needed about 300 g of wool as well as Knitting needles No. 7-8 and an auxiliary needle to cast off the stitches. Download the knitting instructions from Schachenmayr and knit your individual hat scarf.
