

Instructions for a DIY table football

Instructions No. 1475

Difficulty: Beginner

Working time: 1 hour

Who does not know this: you buy a pair of new shoes and the cardboard box usually ends up in the waste paper. Please keep the next box, because in this manual we show you how you can turn an old shoe box into a great table soccer table on the go in no time. The handicraft idea is wonderfully suitable for Crafting with children.

For you should apply 1-2 layers of paint to achieve a covering
a sponge to spread the paint more evenly on the cardboard.

in half (We used 3 round rods for our kicker.) Afterwards you can
you can use a Paint sponge.

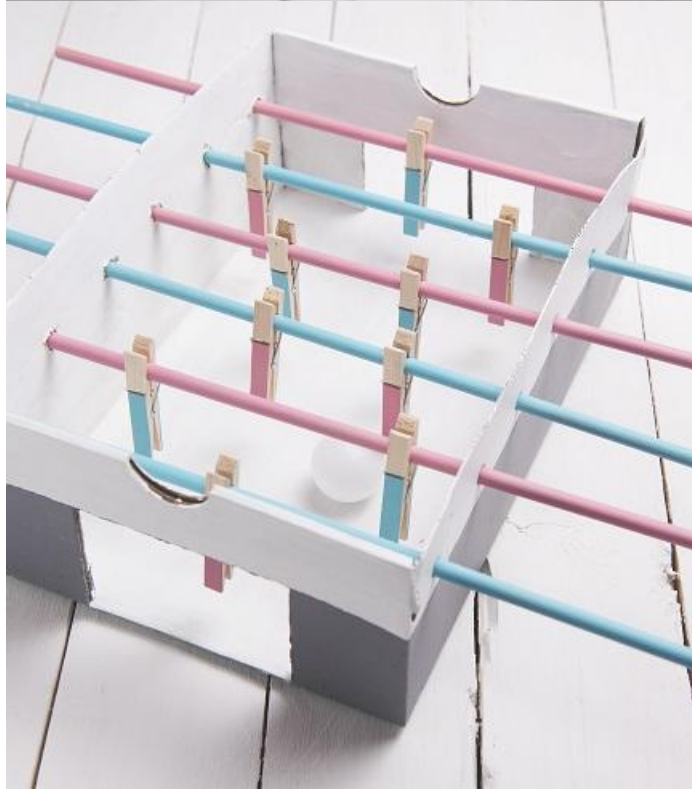

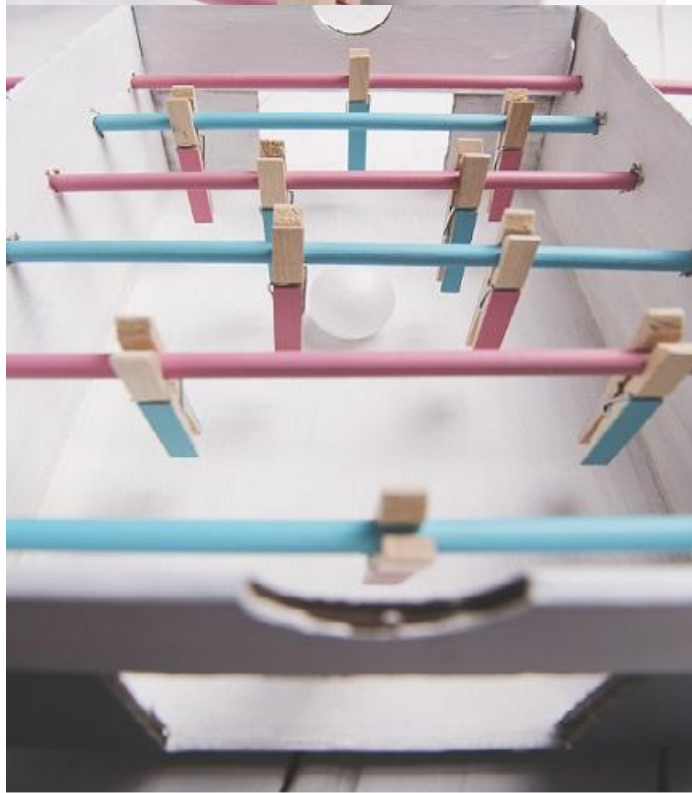

colours with a brush (5 clamps per team).

re once again dealing with the cardboard. We have designed the
the half of the outside of the cardboard with crepe-Adhesive tape
thing has dried, the Adhesive tape can be removed carefully.

encil. Cut out the gates carefully with a scalpel or cutter knife.

mark holes at equal intervals on the long sides of the carton. Make
when staples do not touch the ground when playing. You can

can move easily when playing.

Wooden staples are attached. Then only is missing a Polystyrene ball
go!
