Instructions for Route 66 Stretcher Frame

Instructions No. 803

This is the perfect picture idea for all Route 66 fans! Simply print out personal photos and integrate them into the acrylic picture. With the help of this instruction the painting will be done safely.

Here's **how it works**

Divide the VBS **Stretched Canvas** horizontally with a pencil stroke and prime one Paint sponge half with VBS Acrylic-Color in turquoise and the other in cadmium If Red. the paint is dried wipe with the Paint sponge edge with the VBS Acrylic-Color in Black. Paint some additional black lines on the on. Stretched Canvas Work from the short sides lengthwise into the picture. Now wipe some of the red colour into the turquoise and some turquoise into the red half of the stretcher frame

Bring the **photo prints** to the desired format and transfer them with transfer medium **according to** the instructions to the VBS **Painting boards**. After drying, wipe the edges of the picture with the VBS Acrylic-Color in Cadmium Yellow and accentuate the edges with little Black. Then position the VBS Painting boards as desired on the VBS Stretched Canvas and glue them to the VBS Applies Glue effect. For a secure hold, leave the VBS Effect Glue overnight

For the **lettering wipe** an area with white VBS Acrylic-Colour, transfer the lettering using the template and colour it

in. Black The stars are also transferred from the template, paint them white and give them yellow and black shades.
