Are you still looking for some colourful DIY inspiration? Then we have the perfect piece of jewellery for you. The bracelets are very easy to make and offer great design possibilities for everyone.

Katsuki beads bracelet to create yourself

Katsuki beads are small flat and coloured plastic discs. They can be threaded into great coloured necklaces and bracelets and further individualised with additional small jewellery accessories.

1 bag of Katsuki beads = approx.100 pieces = strung approx. 13 cm

Thread the Katsuki beads onto the Magic Stretch rubber cord as you like.

In our example the Katsuki beads have been strung as follows:

1st bracelet: 5 times white, 2 times mint, 10 times white, 2 times pink, 5 times white, 1 times mint, 5 times white, 2 times mint, 10 times white, 2 times pink and 5 times white

2nd bracelet: 1 times mint, 3 times white, 1 times pink, 5 times white, 1 times mint, 3 times white, 1 times pink, 5 times white and so on. We have also threaded small mini tassels in the middle here.

Check that the threaded bracelets are a sufficient length for you, thread on more beads if necessary.

Once you have finished the bracelets, knot the ends to the lobster clasp and eyelet. Now your new piece of jewellery can be worn.
