

Kronleuchter aus Perlen und Drahtsternen

Instructions No. 441

A fascinating beadwork not only for Christmas: Large wire stars with 12 beams are the basic form for these glamorous chandeliers. The different beads sparkle on them and catch every ray of light.

And this is how it is done

For the upper part of the chandelier bend every second wire of the wire star upwards.

Thread the beads onto these wires in the following order

- 9 x 3 mm wax bead
- 1 x 4 mm Acrylic-Pearl, Transparent
- 3 x 4 mm WhiteAcrylic-Pearl,
- 1 x 6 mm WhiteAcrylic-Pearl,
- 1 x glass cut bead, Transparent
- 1 x 6 mm WhiteAcrylic-Pearl,
- 3 x 4 mm white Acrylic-Pearl,
- 2 x wax pearl

After the last Pearl one, bend the wire with the jewellery pliers to the side at right angles and roll it up to the eyelet
Connect all upward bent wires directly when bending the eyelets.

For the arms of the chandelier, thread the beads onto the remaining wires in the following order

- 10 x wax pearl
- 1 x 4 mm Acrylic-Pearl, Transparent
- 3 x wax pearl
- 1 x 6 mm Acrylic-Pearl, Transparent
- 1 x 6 mm WhiteAcrylic-Pearl,
- 1 x 4 mm Acrylic-Pearl, Transparent
- 3 x wax pearl

- 1 x drop of wax
- 2 x wax pearl
- 1 x pearl cap
- 1 x pin bead
- 1 x 4 mm acrylic bead, iridescent

After the last Pearl one, bend the wire with the jewellery pliers to the side at right angles and roll it up to the eyelet

Tip: If the wire is no longer sufficient to bend an eyelet, simply bend the end at right angles.

First bend the wires upwards, then bend them downwards and at the wax drop sharply upwards again, so that the candles are vertical.

Thread the other decorations as desired on nylon thread or chain pins and insert.
Thread in chiffon ribbon and stick on small bows.

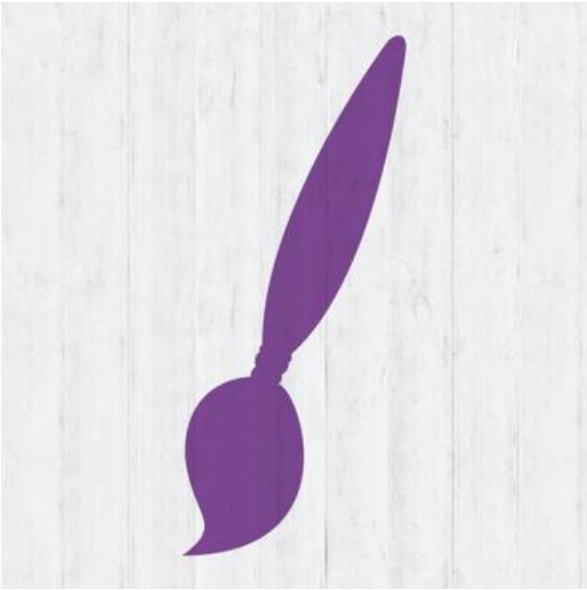

Our extra tip

One package of pearls is sufficient for 3 chandelier basic shapes without further decoration.
