Lustige Bleistifte

Instructions No. 238

Difficulty: Beginner

Have you ever seen such funny pencils? With Frog King, Glitter Fish and Piggy, homework is much more fun.

And this is how you do it:

First you paint the cotton balls and wait until the paint is dry. Then you cut out the individual pieces from the coloured Felt one and stick them Handicraft glue onto the balls.

Now only just stick these Wobbly eyes and sequins on - and you've already made great pencil heads.
