Make your own lip balm

Instructions No. 2494

Difficulty: Beginner

Working time: 45 Minutes

Beautiful lips should be kissed... with this **homemade lip balm** you will have beautiful cared lips. Lip balm can be made yourself from just a few ingredients and besides the fun factor of making the lip care, you save money and you know exactly what is in the product and that **no unnecessary chemicals** have been used. In addition, you can decorate the **tins** and the **lip tubes** great and they then make a great **individual gift**!

How to make the lip balm:

For three lipstick tubes:

Ingredients:

12 g beeswax pastilles

12 g cocoa butter chips

12 ml jojoba oil

Weigh out the **beeswax pastilles** and the **cocoa butter chips**. Measure out the **jojoba oil** in the mixing cup.

First melt the pastilles in the **melting pot**, as they take longer to melt. Then add the chips and melt. Now remove the liquid from the heat and add the jojoba oil. Stir everything well and carefully pour into the pods. The amount is enough for three pods.

Three tins with screw-on lids:

Ingredients:

10 g beeswax pastilles

10 g shea butter

10 ml coconut oil

1 drop rose oil

Weigh out the **beeswax pastilles** and the **shea butter**. Place the **coconut oil** bottle in warm water so that the oil becomes liquid. Then measure out the oil with the mixing cup.

First melt the pastilles in the **melting pot**, as they take longer to melt. Now add the shea butter and melt. Finally, add the coconut oil and a drop of rose oil to the liquid. Stir everything well and carefully pour into the tins. The amount is enough for three tins.

Finally, decorate the tubes and jars with **labels**. To do this, insert the white on black writing tape and download the app on the mobile phone. The text is written in the app and printed via Bluetooth. The writing tape is self-adhesive. Of course, you can also stick stickers on and write on them.
