

Make your own lip balm

Instructions No. 2494

Difficulty: Beginner

Working time: 45 Minutes

Beautiful lips should be kissed... with this **homemade lip balm** you will have beautiful cared lips. Lip balm can be made yourself from just a few ingredients and besides the fun factor of making the lip care, you save money and you know exactly what is in the product and that **no unnecessary chemicals** have been used. In addition, you can decorate the **tins** and the **lip tubes** great and they then make a great **individual gift**!
