Miniature door with dwarves

Instructions No. 2847

Difficulty: Beginner

Working time: 3 Hours

Are you still missing a **cute summer decoration**? This idea with a **miniature door** is beautiful to look at and really makes a statement with the **gnomes**. The door is painted and embellished with some accessories. Very easy to make.

This is how you create the cute scene:

Paint the **miniature door** with your desired**handicraft paint** paint. We have opted for orange-colored VBS handicraft paint orange. Once dry, shade with the **Stazz On ink pads** and a dry brush.

Cut the **wooden sticks** to size and glue them together using **handicraft glue** to create a staircase. Glue Iceland moss and flowers such as daisy blossoms to the edge of the door using hot glue.

Cut the **corrugated cardboard blank** for the base plate to the desired size. Glue the **grass mat** to it using handicraft glue . Glue the designed door to the grass mat using hot glue and attach Iceland moss to the sides of the steps. Attach the garden gnomes and daisies with hot glue too.
