Mosaic lighthouse picture

Instructions No. 3048

Difficulty: Advanced

Working time: 4 Hours

Would you like to make this **beautiful lighthouse** yourself? It's really easy and you can customise the lighthouse picture with the **stones** of your choice. The picture will be an eye-catcher in your home!

This is how you design the lighthouse image:

For the **sand mound**, apply **mosaic joint filler** to the **decorative wooden panel** as an adhesive layer and spread it with a brush. Add colored sand and leave everything to dry. You can then remove the excess **sand** remove the excess.

Outline the **lighthouse** with a pencil to make it easier to glue the **stones** later. Now glue on the mosaic stones with the mosaic joint filler.

Tip: The **mosaic pieces** can be crushed with pliers, but it is important to wear safety goggles to prevent splinters from getting into your eyes.

Paint with white **handicraft paint** and with the help of the **stencil** some birds and the boat onto the decorative wooden panel. Finally **driftwood** also with mosaic joint filler.
