

Natural gift box self designed

Instructions No. 2161

🔪🔪🔪 Difficulty: Beginner

🕒 Working time: 20 Minutes

What could be more personal than a self-designed gift box - let this idea inspire you to create your own loving gift idea.

Stamp instead of paint

The filigree flower motif is stamped on. Use a silicone stamp for stamping. This is placed on the acrylic block, positioned on the kraft paper gift bag.

Punching instead of cutting

For the name tag, simply use punches. Label and paint the punched out label and also the kraft paper bag individually.

Look forward to gift giving

Place your gift in the bag and close it with a jute cord, tie the name tag to the label. The gift in natural look will certainly be well received!
