Paper bags heart

Instructions No. 2774

Difficulty: Beginner

Working time: 1 hour 30 Minutes

These chic kraft paper bags with heart cut-outs are ideal for making your loved ones happy at Easter. The colourful bags go down well with young and old and are very easy to make.

It will be colourful

First take the wooden bunny "Bonnie" and paint the short sides with craft paint. In our example we have chosen the colour "Mint", but you can choose it according to your taste.

Bonnie decorate

Now stick paper on the eggshell of the bunny "Bonnie". Use a scrapbook paper of your choice. Place "Bonnie" on the paper and transfer the outline of the eggshell with a pencil. Since you can't transfer the prongs yet, we'll leave enough space for them to be added later. Then cut out the transferred egg from the paper and stick it onto the eggshell.
The prongs that you could not cut before can now be carefully traced with a cutter. Finally, you can glue on a small mini bow in the appropriate place.

Design cards, ears and tags

In this step you design the cards. First, glue the double cards with the scrapbook papers of your choice. To get more variations, you can cut the cards to different sizes or arrange the paper differently. As in our example, we also made the tags and ears from the cards and paper.

You are free to choose the size of the ears. However, you can orientate yourself on the size and shape of the ears of wooden bunny "Bonnie". After you have decorated the ears with some additional paper, you can glue both ear parts together at the bottom of the tips. Now punch holes in the tags and pairs of ears with a hole punch. Use warp yarn to tie the whole thing to the bag. To add a finishing touch, you can glue on small mini bows.

Decorate everything beautifully

Finally, fill the bags with wood wool. Furthermore, decorate the display with wooden bunny "Bonnie", the card and other decorative elements. You can also fill a storage jar with sweets and drape a bouquet of tulips in a bag. Finally, tie two matching taffeta ribbons to each of the bags - and you're done. Great!
