

Personalised wedding money gift

Instructions No. 2826

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 2 Hours 30 Minutes

Would you like to give the bride and groom money as a wedding gift, but not just hand it over in an envelope? Then this idea for a personal and original money gift is just the thing! We will show you how easy it is.

First design the porcelain cup. Label the cup with the names of the bride and groom. There is still room for the wedding date on the back or on the handle. The Karin Pigment Decobrush markers are particularly suitable for labelling. Make sure that you leave a drinking rim. This should not be written on.

Colour the large polystyrene heart, the bamboo skewers and the scatter pieces with Chalky Color. We used the colours antique rose and antique grey. Let the colour dry.

Put foam inside the cup and place the wedding couple on it. Stick the bamboo skewers into the foam and attach the polystyrene heart with a little glue.

Decorate with the scatter pieces and the mini pennant chain. Wrap the banknotes in an organza bag and tie it to the bamboo skewers.

An original and personal wedding gift is ready! Enjoy giving it as a gift.
