Pompon chick

Instructions No. 1902

Difficulty: Beginner

Working time: 1 hour 30 Minutes

With the big eyes and the small caps the chicks are a funny eye-catcher**.** Perfect for your ! They prepare a great craft fun for **young and old.**

This is how the chicks are made:

For the chicks you need the pomponmakers **in the** sizes Ø 7 cm and 9 cm.

Set three of each of the two sizes **Pompoms** with the yellow **wool** according to the package instructions. To do this, please first click the template parts apart. Wrap the wool around one half of the stencil starting from the middle of the stencil. Then repeat this with the other half of the stencil. Afterwards you can close the halves to a ring again. The wound wool is cut open along the outside, pull in Ribbon between the two pompon halves and tie them tightly together. This way the cut open wool threads are securely fixed. The finished pompon can then be shaped with scissors.

With the help of **Handicraft glue** stick a large and a small ball together.

Cut **out** the template for the **wings and feet and** transfer it to the hat. Now the feet Textile felt., wings, eyes and the cap are glued to the hat.
