Practical memo board with wire

Instructions No. 1582

Working time: 20 Minutes

Primer First of all you have to prime the **Wooden picture frame** with beige Handicraft paint. The frame is coloured a shade darker with grey-brown.

As soon as the paint is dry, simply apply a piece **Wire** cut it to the size of the picture frame (approx. 36 x 36 cm) and fix it on the frame: with hot glue or with a stapler this can be done easily and quickly. Decorate the new memoboard with hydrangea flowers.

The notes can now be easily pinned to the wire with small miniature wooden staples.
