Rustic Cutlery Bags

Instructions No. 605

Difficulty: Beginner

Whether on the table or on the wall, in these decorative bags you present your cutlery in a particularly attractive way. You don't even have to sew a stitch, because everything is tacked and glued.

Here's **how it works**

First prime the boards with pistachio green **Wood stain**. Then cut a rectangle of 18 x 21 cm for each board from the **Cotton fabric** and press the left and right edges inwards twice, 1.5 cm each. Press the top and bottom edges inwards twice, 2 cm each. Then fix these blanks with a stapler on three sides of the wooden board.

All around the fabric, stick on the **lace and** the zigzag-Ribbon with tape-Ribbon and cover the tackers-Needles. In the corners, stick single satin scattered roses with hot glue.

This idea is timelessly beautiful!
