Take the top layer of Napkin and glue it to the front angel body with Napkin varnish . Cut off the excess material.
Paint Gold leaf priming milk on the wings and let it dry for 30 minutes. Then apply Leaf metal and brush off any excess material with Bristle brushes . Catch the rubbed off gold leaf, you can reuse it.
Stamp curlicues on the angel and drag the Ink Pads over the edges to emphasize them. Finally, border the angel silhouette with the liner in Gold.
