Working time: 6 Hours

And Christmas is already just around the corner. For this reason, Tomte has already decorated his living room for Christmas, put up a Christmas tree and made himself cosy in front of the carmine.

Create a miniature Christmas living room.

- 1. cut three squares with sides of 20 cm each from grey cardboard. It is best to use a cutter knife to cut them cleanly. Use masking tape to join the cut-out squares together to form the corner of the room.
- 2. Paint the top half of the walls with beige craft paint and stick motif paper on the bottom half and the floor.
- 3. Cut a few strips of motif paper and use them to make a fireplace with the help of 3D adhesive pads.
- 4. For the table, glue a circle of motif paper onto a roll of yarn and glue a plate from the wooden tableware set upside down from below. Set the table with miniature glasses and a bottle.

- 5. For the blanket, cut out a rectangle of craft felt, cut fringes and draw a check pattern with a white marker.
- 6 For the rug, simply cut a rectangle out of motif paper and glue fringe on both short sides.
- 7. finally, arrange a cosy scene using the handmade furnishings and the miniatures.
