

Serviettentechnik Anleitung - Buchstützen

Instructions No. 856

With these bookends you can put your literary works artistically in scene. Reading is not only fun!

And this is how you do it:

Take one Paint sponge and prime the bookends in white. For the used look, now lightly wipe in the other two colours. Leave out the narrow front sides and the heart.

Cut out the motifs Napkin. you need with the silhouette scissors. Cut out the picture in the heart and the heart
Lace-

When everything has dried well, you can glue Napkin varnish the heart picture in the middle of the picture frame.

We recommend the Napkins-brush. It reduces the risk of creases and cracks in the motif.

Now apply the lace heart to the bookend

The characters are placed on the narrow sides

Decorate the back of the heart either the same way as the front, or what is also very beautiful, with the characters

Now make a loop from the tip and glue it to the top of the heart with hot glue. In the still liquid, hot glue you put one as a Pearl conclusion
