Sewing Idea 3D Fir Tree and Santa's Boots

Instructions No. 1537

Difficulty: Beginner

Working time: 1 hour

The basis for this beautiful sewing idea is McCall's **Pattern "Christmas decoration".**

The Pattern "Christmas decoration" from McCall's will be delivered with detailed multilingual instructions. The 3D Fir and the Santa boot will be cut and sewn as described in the instructions using the pattern, then stuffed with Fill wadding and decorated with Fir and buttons.

Fabric consumption Data according to manufacturer's information on the Pattern

Small fir tree, approx. 29 cm high
0,5 m patterned with 115 cm fabric width
0,5 m with 115 cm fabric width plain

Large fir tree, approx. 44.5 cm high
1,05 m with 115 cm fabric width patterned
1,05 m with 115 cm fabric width plain

For our decoration example we used two single-coloured fabrics in red and green.

The **boot** is 48 cm high and needs
0.6 m with 115 cm fabric width from Basic -Fabric
0,6 m with 155 cm fabric width of a contrast fabric

In addition, it is lined with 0.6 to 0.7 m flame resistant fleece with a fleece width of 115 cm

Dear sewer, as fabrics are seasonal goods and we always want to have trendy fabrics in stock for you, it can happen that the sewn fabric is no longer in our range.
