# Small handbag designed with textile painters

**Instructions No. 580**

Small and fine: with a little imagination, an elegant bag for all the little things you always Mrs. need to have with you.

info matériel

src= : applicator

de

**strass**

A l'aide de cet appareil très maniable, vous parviendrez à personnaliser vos textiles en un tournemain avec des strass et des rivets de différentes couleurs et tailles. In a fois chaud, the applicator liquefies the pellicule of the street and street rides and makes an impression on the tissues. As the preserver of the textiles of the variety, no matter what the recommandations are, a lavage and machine at 30°C.
