

Snowman Balls

Instructions No. 2052

Difficulty: Advanced 🍴🍴🍴🍴

Working time: 8 Hours

Our cute **snowmen** are from **Acrylic balls** and beautify your home with your sweet faces. With the glitter in the spheres you remind of real snow and sparkle with it.

This is how the round snowmen are made:

First make small caps with the help of the 14 cm **knitting ring** according to the package instructions

Then paint with a **Marker Faces** on the **Acrylic balls**. You can record these according to your own ideas or you can use our template as an aid and transfer them with graphite paper

Now fill the balls with diamond snow **and** some silver and white glitter. Then put the balls together. Now put the cap on the snowmen and fix it with a little double-sided pulling Adhesive tape. through Ribbon the eye of the ball as a

suspension

Knead the **Fimo** softly and form a roll that tapers to a point on one side. The modelled nose is cured in the oven at 110°C for 30 minutes. After cooling down, the noses can be glued Acrylic balls on with some hot glue. **Tip:** The hot glue should be applied directly to the nose, otherwise the acrylic ball could melt.
