

# Sophisticated lanterns, quickly made

## Instructions No. 112

Difficulty: Beginner 

Working time: **30 Minutes**

The recipe for success of this **pompous one is Lanterns** the filigree slit Vary Vellum paper. size and colour, so you can create individual party lights **with a feel-good atmosphere in no time!** With practical hanger or also ideal as table-Wind light.

Paint one **lantern base** and cover each with Handicraft paint in May green, Pink and Carmine Red.

While the paint is drying, cut the **Lamp foil** and that **Vellum paper** according to the material requirements. Use a sharp pencil to draw the cutting lines at a distance of approx. 1 cm. Leave a margin

of 1.5 cm at the upper edge and 2 cm at the lower edge. The cutting lines are best drawn with the help of a metal ruler and scalpel.

The **Lamp foil** stick with **tape-Ribbon** from the inside to the lantern base and lid. On the outside you also stick on tape-Ribbon . Attach the narrow end of the transparent paper to the lid and base at the same time and stick it firmly in place
