

Star candle holder with decorative elks

Instructions No. 3119

Difficulty: Beginner 🪚🔪🪚🔪

Working time: 2 Hours

If you are looking for an unusual Christmas decoration or a suitable alternative to a classic Advent wreath, then these star candle holders are just the thing for you! Use this idea as inspiration for your own decorative stars with illuminated elks.

Paint the edges of the wooden stars with craft paint in the colours pastel olive green and fig. Paint the antlers of the moose in the same colours. Once dry, use a bamboo skewer to dab small dots on the antlers in the other colour. Allow the paint to dry thoroughly.

Coat the wooden stars with clear varnish. This coat of varnish accentuates the grain of the wood. Wait until this coat is also dry. Then screw the candle holders onto the stars.

Glue the moose to the stars with handcraft glue and place your pillar candles in the grommets.
