Stars from folding paper

Instructions No. 2895

Difficulty: Beginner

Working time: 2 Hours

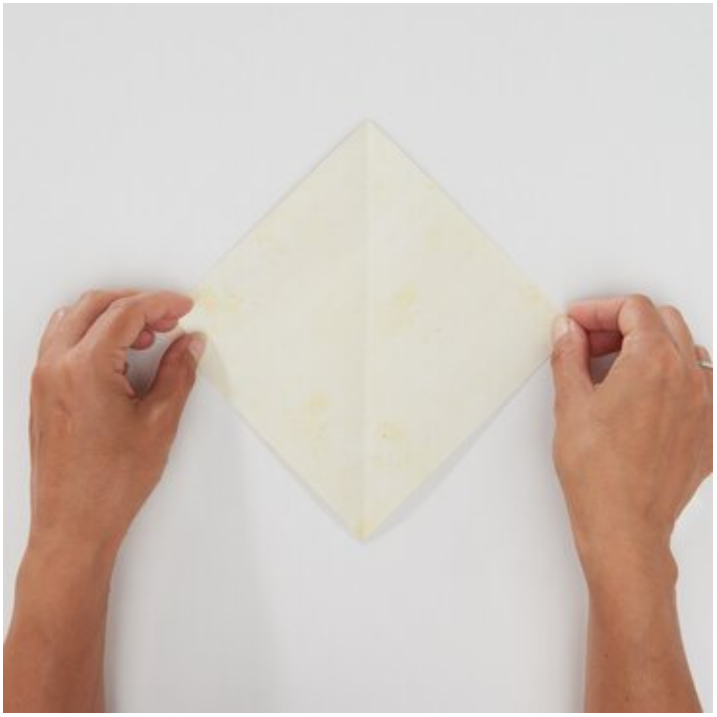

In our instructions, we show you a beautiful **folding star** that is only folded and then put together. You don't need any glue. The stars can be hung up and decorate your home. Also a great gift idea!

Folding instructions for the stars:

Take the **paper of** your choice and fold it using our **folding instructions**:

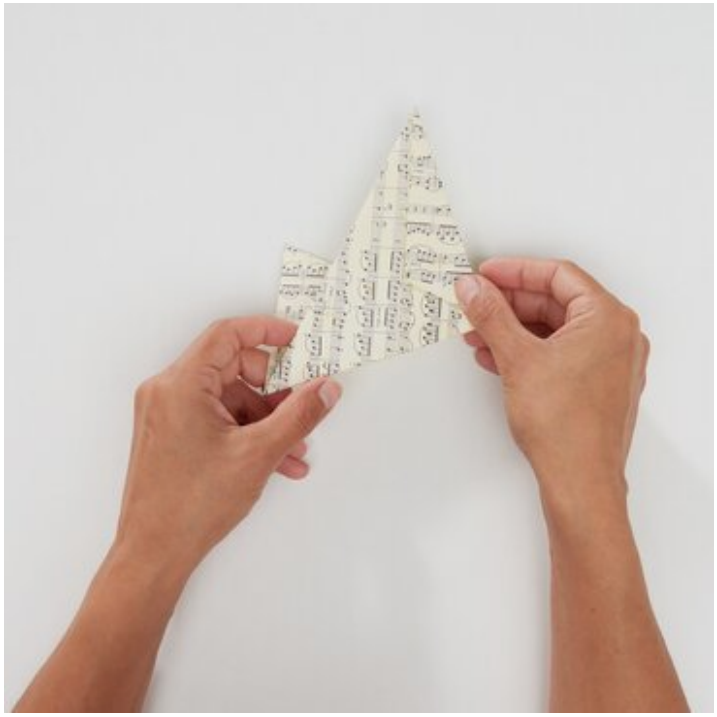

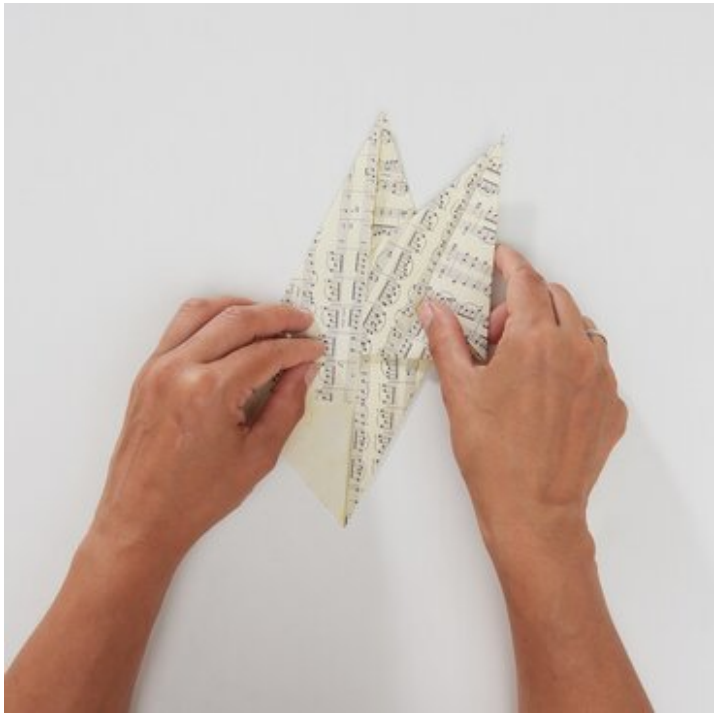

Use the hole punch to punch a hole **in** the star and pull the **nylon thread** through.
